

## Yamaha Music School – Book a FREE taster Keyboard, Guitar, or Drums lesson – not to be missed!

Dear Parent/Carer/Student,

You really need to see and experience the latest **keyboard, Electric Guitar and Drum** courses on offer here at The **Kings Oak Academy Yamaha Music School**. You don't need to own an instrument and we welcome complete beginners.

Yamaha's 'state of the art' courses mean that you can learn lots of solo and band skills that professional musicians use. In addition you will have the opportunity to play on top quality instruments: learn a wide range of popular music: practice at home with some great backing tracks and have a great time learning to play!

Everyone is welcome to take a **FREE** taster lesson on keyboard, Guitar or Drums, or even one on each! There is no obligation so you have nothing to lose.

If you would like to take advantage of our special **FREE** taster lesson(s) then please contact Mr Tim Warren at King's Oak Academy and we will make sure that we reserve your place.

Taster lessons will be held in September and October at King's Oak

Contact Mr Tim Warren ([warrent@kingsoakacademy.org.uk](mailto:warrent@kingsoakacademy.org.uk), or 01454 866538) in the Music Department to book your place. We look forward to welcoming you to The King's Oak Academy, Yamaha Music School.

Give your child the gift of music – the gift that lasts a lifetime!
