Anti Bullying Week 13 – 17 November

Anti-Bullying Week is important in bringing everyone in the sector together with a single strong message as part of a national concerted effort.

Aims:

- empower children and young people to celebrate what makes them, and others, unique;
- help children and young people understand how important it is that every child feels valued and included in school, able to be themselves, without fear of bullying
- encourage parents and carers to work with their school and talk to their children about bullying, difference and equality;
- enable teachers and other children's workforce professionals to celebrate what makes us 'all different, all equal' and celebrate difference and equality. Encouraging them to take individual and collective action to prevent bullying, creating safe environments where children can be themselves.

Any concern that you have regarding bullying should be logged on CPOMS. Please add a **New Incident** under the category **Incident Open**.

Safeguarding Team must be alerted to all incidents and each will be categorised on receipt.

Please email RiceA@kingsoakacademy.org.uk if you feel you need refresher training.
