Dear Parent/Carer

An essential part of learning in Art involves the use of sketchbooks in a wide variety of contexts. Some examples of how sketchbooks may be used are: drawing from first-hand experience, written ideas, researching information for projects and drawing from imagination.

The Art Department will be collecting a one off payment of £3 at the beginning of September when your child joins Year 7 so that they can purchase an A4 sketchbook of good quality white paper. This amount includes a new sketchbook at the start of Year 8 and Year 9.

If you are unable to meet the cost of this provision, please could you send a short note with your child to their first Art lesson in September to hand to the teacher who will then provide your child with a sketchbook at no cost.

Yours sincerely

Mrs D Glover
