

Dear Parents/ Carers,

Thank you for your support this morning in collecting your children so quickly; it was much appreciated.

Just to reiterate what was said to you on collection, Mrs Waldron has gone home unwell today and has been tested for Covid-19. Typically, the results take 2-3 days and as soon as we know the outcome, we will communicate this with you.

In line with the NHS Test and Trace government guidance, it is important that your child stays at home until we get the results of the test. If the result of the test is **negative**, we will be able to invite children to return to school the next day. If the test is **positive**, your child will need to self-isolate for 14 days. This does not apply to siblings in other bubbles.

<https://www.gov.uk/guidance/nhs-test-and-trace-how-it-works>

Home learning will be available on Seesaw as usual. If you have any questions about this, please direct them to Mr Diggle or Mrs Townsend.

Please be reassured that this is a cautious approach that is in line with our academy risk assessment and wider opening plan.

Have a wonderful weekend and we will be in touch soon.

Best wishes

Jo Thorn
