To: All Parents/Carers of students at The Acorn

Dear Parents/Carers

As you are aware following phone calls and meetings with members of staff today, we have sought advice from Public Health England [PHE] and have taken the difficult decision to close today (Wednesday 18 March) in order for us to carry out an enhanced clean of The Acorn. We apologise for the short notice but the situation requires us to take swift action in light of the COVID-19 outbreak.

I can confirm that there has not been a confirmed case of COVID-19 at The Acorn, however, we are following PHE guidance because the NHS are not testing individuals unless they are hospitalised.

A further letter will be shared on the website this afternoon which will provide an update on our education arrangements for the rest of this week and the foreseeable future.

Thank you for your support and understanding in this situation, and please be assured we are taking all the necessary action to support your children.

Many thanks.

Yours sincerely
