

Friday 26th April

R.e: Term 5 Important Information

Dear parents/ carers,

Please see below, important dates and information which will be relevant for this term.

Our topic

On 25th April we had our WOW day to start of the continued topic of spring but with a new focus on chicks. The children created chick crafts, learned about the life cycle and conquered an Easter egg hunt around the school. We have included our topic map for this term which includes the learning that will be taking place across the curriculum. The children will be showcasing their chosen piece of learning at the end of term. We would like to invite you to come in and share your child's learning with them on **Friday 24th May. We ask that siblings do not come and that childcare is arranged.**

Homework

We really encourage you to read 4 times a week with your children. We check their reading diaries each week to monitor the children's progress, making sure they are reading the appropriate level for their development. Just a reminder to write in their diaries each time they have read to help us monitor this. You are also welcome to encourage you children to write at home, encourage them to use finger spaces and full stops.

P.E

Blossom have PE on a Tuesday morning and Catkins have a PE on a Thursday morning. Please make sure the children's PE kit is at school for these days.

Important dates:

25th April - WOW day

w/c 29th April - Chicks arrive and chickens visit.

16th May - Road safety workshop

24nd May- Parent Showcase

Thank you for your support and if you have any questions at all, please do not hesitate to contact a member of the Reception team.

Kind regards,
Reception team
