

King's Oak Academy

27th June, Issue 34

We have had another busy week this week with various activities. Reception enjoyed their mini beast hunt and a visit from Zoolab, the teachers were even brave enough to hold the snake! Year 3 are busy practising the songs from their end-of-year production, it's sounding brilliant! We had the library in on Thursday to launch the summer reading challenge. If your child wants to take part, it's free to register at your local library. As the weather looks like it's heating up, please can you ensure your child has sun cream on and a hat in school every day. We hope you have a lovely weekend and we look forward to seeing you at the fair on Sunday.

Principal's Notice

Mr Clutterbuck comes over to the Acorn frequently throughout the week and spends time looking at the learning and speaking to the children. This week he has noticed:

Reception were very brave when holding all of the insects on Thursday.

The bug hunting continued at lunchtime and the children found a very impressive moth. After some internet research, we discovered it was Privet Hawk Moth (we think!)

Year 1 have been learning all about money. The shop was very busy when I tried to purchase a dinosaur!

Friends of King's Oak Primary

The Friends of King's Oak Primary are holding their Annual General Meeting on Wednesday 17th July at 6:30pm. Everybody is welcome and we look forward to seeing you there.

Summer fair

The summer fair is approaching fast (Sunday 30th June) and we hope to see you all there. We will be having a cake stall at the fair so if you are able to donate a cake please can these either be brought to school on the morning of the fair or on the Friday before (28th). Thank you for your support.

SMSA

We have a vacancy for an SMSA (dinner supervisor) starting in September. If you, or anyone you know, would be interested in this role, please let Mrs Mignaud know.

Summer activities

Attached with this newsletter is a leaflet advertising a free summer play scheme and a leaflet about a free day trip to WSM. Sounds amazing and just right for a fun family summer!

Mountain of learning

★ Delilah has been an excellent author and written some excellent sentences. ★ Ben always tries his best with all of his learning. ★ Jack has been taking his time and thinking about his learning this week with some amazing results. ★ Izabelle is gaining in independence and coming in to the class on her own. ★ Timmy had some excellent ideas during class discussion and has worked really hard on his hand-writing. ★ Araya has produced some great writing this week, really detailed and beautifully presented. ★ Toby P has been a creative unicorn this week and used his research about Africa in his school work. ★ Adeayo has worked really hard this week and produced an exciting and detailed postcard. ★ Evie H has been a stickability tortoise in phonics this week and has impressed Mr Warren. ★ Bella has been a linking spider in maths and used her skills to solve problems. ★ Phoenix has been a linking spider in maths and used his knowledge of the 5 times table to help him tell the time. ★ Maicie has worked really hard being an author and using descriptive language. ★ Jesse has been working so hard on his insect story. ★ Macie has worked really hard when editing her story. ★ Zachary has put lots of detail into his story to make it really interesting. ★ Paige has used all of her writing skills to make her story interesting to read.

Attendance award: Well done to Juniper class — 97.3% attendance

House point challenge: Orpheus (Blue) were the best house this week.

Playground

The friends of King's Oak Primary have donated some money towards the playground. Some smaller items will be introduced to the playtime over the next few weeks. We have also gone to tender for a pole jungle to be installed over the summer holidays. This will provide the children with some larger play equipment. Thank you to the Friends of King's Oak Primary for their work fundraising to enable us to provide this much needed resource for the children.

We have also secured some funding from the CLF to provide an outdoor classroom for the Reception children and some rubber pathways on the grass (mud) in the front playground. These improvements will hopefully be taking place over the summer and will improve the outdoor provision for the children.
