

September 2020

Dear families

**Re: General information for Year 2**

Welcome back after the summer holidays. Please see below for important dates and information which will be relevant for this term.

- **P.E.** will be on a Tuesday and Friday this term. The children are to wear their PE kits into school for the whole day. The new PE kit is now available but the whole of this year is a uniform transition year so the children can continue to wear their house coloured t-shirt.
- **Reading:** The children will have one reading book that should be taken home and brought into school every day. The children should read each book twice. This helps the children to decode new words more than once and then develop their expression and fluency as well. When in school, during morning reading each day they can ask an adult to change their reading book. Bug club is also available online and is much more than just e-books. There will be more information about this next week.
- **Homework will include:**
- **Reading:** Children are expected to read at least four times per week.
- **Homework menu:** Children can choose from a range of different activities which will be linked to our topic. These will be sent out with your topic web.
- **Times tables rockstars:** This will be launched later this term for Year 2
- **Seesaw:** It is particularly important this year that all children are signed up to Seesaw. In the event of our bubble closing, this is how we will share any learning. Please mention to a member of staff at drop off if you are still not connected.

If you have any further questions, please do not hesitate to contact a member of the Year 2 team.

Thank you for your continued support.

The Year 2 Team.

**Work Hard, Be Kind!**
